COVID 19 Protocols
As HPARD facilities and programs reopen, the Department will implement a standard set of operational guidelines to minimize risk associated with COVID-19. All facilities, equipment, and supplies should go through a sanitization process before, during, and after opening at the discretion/expense of the Permit Holder. Also, as social distancing restrictions are adjusted, program modifications can made as well. We considered guidelines from the Center for Disease Control (CDC), National Recreation and Parks Association (NRPA), and affiliated organizations while coming up with specific plans for reopening fields, pavilions, playgrounds, play structures, outdoor exercise stations, and other amenities; as well as league
play, tournaments, adult sports, and youth sports programs.
It is the responsibility of the permit holder and/or the organization/league it is submitted on behalf of) to:
• Develop policies that encourage parents, spectators, participants and/or volunteers who are sick to stay at home without fear of reprisal and ensure all are aware of these policies.
• Communicate to all participants the guidelines being followed to limit the spread/exposure to COVID-19 while partaking in activities (including but not limited to the following: wearing masks, limiting guests based on size of venue, temperature screenings, no food sales, etc.) and enforce these guidelines as the standard for participation
• Advise all participants (coaches, players, and spectators) not to attend any meetings, games, or practices if they have any symptoms of, were exposed to, or are awaiting testing results of COVID-19
• Ensure all participants, spectators, etc. adhere to these policies
• Submit a copy of your policy to the HPARD Reservations office prior to a reservation approval. (Required for League and/or Tournament play, schools, youth field adoption organizations, etc.)
• Wipe down surfaces before using high touch facilities whenever possible
• Wear masks (face coverings that go over the mouth and nose) whenever possible
• Wash hands or use hand gel sanitizer frequently • No sharing sports equipment with others
• Avoid yelling and screaming near others, to minimize spread of saliva droplets
• Limit physical contact with others while playing
• Practice social distancing (minimum 6 feet) when using park benches, seat walls, bleachers, and dugouts; add chairs if needed and available
