**Description**

Greater Inwood has its origins in the development of Inwood Forest, a golf course-centered community, in the late 1960s. Other subdivisions include Woodland Trails, Candlelight Forest, Chateau Forest and Antoine Forest. Most of the area is heavily wooded, although the northern portions resemble the prairies found to the northwest. Almost all of Greater Inwood is part of the Aldine ISD. Large apartment complexes are found along Antoine, West Little York and Gulf Bank. New home construction resumed in the Oaks of Inwood luxury home area and Inwood Forest Village patio homes in the 1990s, after a slump from the mid-1980s economic crash. Two industrial parks take access from the Burlington and Northern rail line which bisects the area.
