## I-2: Downtown/Midtown Streets

**APPLICANT:** City of Houston Planning & Development Department

**JURISDICTION:** City of Houston

**PRECINCT:** Harris County Pcts. 1, 2

**COUNCIL DISTRICT:** C, D, H, I

### **PROPOSAL:**

The City of Houston Planning & Development Department is requesting the addition of several streets within the boundaries of the Downtown and Midtown Management Districts to the Major Thoroughfare and Freeway Plan. These streets are listed on the attached pages.

### **BACKGROUND INFORMATION:**

Very few streets within the Central Business District, and only limited streets within Midtown, are currently on the Major Thoroughfare and Freeway Plan. Over the past year, a thoroughfare analysis has been conducted through a joint collaborative between the Management Districts, the Planning & Development Department, the Houston Public Works Department, and a consultant team. This study, the Downtown-Midtown Thoroughfare Analysis, has determined which corridors were essential to mobility in the Downtown and Midtown areas, and made several recommendations for streets to be added to the Major Thoroughfare and Freeway Plan. These recommendations have been submitted as the following amendment requests.

### **RECOMMENDATION:**

APPROVE the addition, reclassification, or deletion of the thoroughfares and collector streets listed below to the Major Thoroughfare and Freeway Plan (MTFP).
