Statement from Officer Johanna Abad:

Recently, I was saddened to hear about one of our volunteers going through some life misfortune. I reached out to Oaks of Moritz Manager, Mrs. Dorothy Vaughton, who is one of our valued Blue Star Properties and discussed the situation with her . She was very kind to recognize the importance of human compassion and, being that she is one of our valued partners, she stepped up and helped this family get situated just in time for the holidays.

Thank you~!" – Senior Police Officer J. Abad

BLUE STAR AWARD

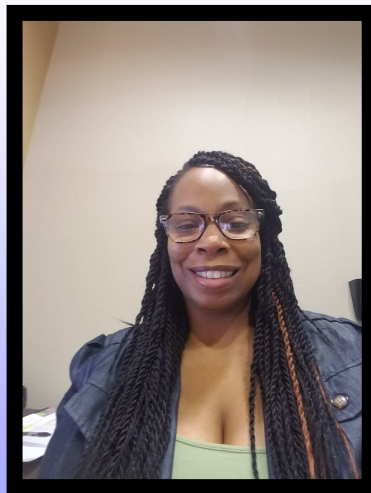

In the year 2019, for each Blue Star Class we will pick 3 managers to receive a trophy. Currently we have 134 properties that are in the City of Houston. The properties are divided up between Officer Clark, Ferguson, and Terry. Each officer will choose a manager who complete CPTED deficiencies on time, follow-up on Calls for Service, conduct Safety Socials, and sends their assigned officer an email monthly. The monthly email is a way of staying in touch. Officer Clark will send an example to everyone.
