Chief of Police

Dear Friends of Houston:

The Houston Police Department is committed to relational policing. The community is important to us, and we remain committed to bridging the gap between youth and police. We have several programs that allow us to accomplish this goal: Houston Police Explorers, Gang Prevention Unit (GPU), Greater Houston Police Activities League (GHPAL), Youth Police Advisory Council (YPAC), My Brother’s Keeper (MBK) and Teen And Police Service (TAPS). While their missions differ, we have one common goal – to inspire and build up our youth. We are dedicated to fostering youth while encouraging them to be current youth ambassadors and future leaders.

We would not be able to accomplish these goals without the help of our community supporters. While we continue to actively engage our youth, we need your help to make our efforts go even further. Please join us in our “Sea of Opportunities” fundraising luncheon where we will highlight the impact of our programs and share upcoming opportunities in the community. The event will take place on Thursday, September 15, 2022, at 11:30 a.m. at the Downtown Aquarium, 410 Bagby Street. Check-in will begin at 10:45 a.m.
