2023 Mileage Rate

Pursuant to AP 2-5, ARA is charged with the responsibility for publishing an annual Notice of Rate Revision associated with mileage reimbursement rates as set out by the Internal Revenue Service.

Beginning January 1, 2023, the Internal Revenue Service has established an optional standard mileage rate of **\$0.655 cents** for all business miles driven. As a result, the City of Houston will increase our current standard mileage rate of **\$0.625 cents** to **\$0.655 cents** per mile to match the IRS standard amount.

Kindest Regards,
