Public Comment / Public Meeting. You may submit public comments or request a public meeting on this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ holds a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing. The Executive Director will review and consider all timely comments and requests for a public meeting submitted during the comment period. The comment period will end 30 calendar days after this notice is published unless a public meeting is scheduled, in which case it will be extended to the date and time the public meeting closes. The Executive Director is not required to file a response to comments.

Executive Director Action. The Executive Director will review the application and issue a decision. If the Executive Director acts on an application, the Chief Clerk will mail or otherwise transmit notice of the action and an explanation of the opportunity to file a motion to overturn the Executive Director's decision.
